8th District Congressman Bucshon Explains why Republicans Ran Scared on the Budget

Recently Congressman Larry Bucshon from Evansville held a town hall meeting where he was greeted with questions from concerned citizens of the district. When asked why he didn't support the bills that may cause a shutdown of the government... his reply was "if we want to politically damage the people like me, who actually want to get this under control, we do something like shut down the government. Because the president has the bully pulpit. You know what happened to the Clinton administration, does anyone know why the government shut down? The government didn't shut down because congress didn't pass the spending bills. Okay? The government shut down because president Clinton vetoed those spending bills and it caused the government to shut down. So who got blamed for it? Everybody remember? Congress, Newt Gingrich, the elephant got blamed for it". [\(click here to read\)](#)

Call Now to Demand Your Apology!

Rep. Debbie Wasserman Schultz, the Chair of the Democratic National Committee, recently blamed the Tea Party movement for last year's shooting in Tucson which killed six people and seriously injured Rep. Gabby Giffords. "I hesitate to place blame, but I have noticed it take a very precipitous turn towards edginess and lack of civility with the growth of the Tea Party movement," said Schultz.

Her accusation is not only revolting, but patently untrue. [Call NOW to demand your apology!](#)

Tea Party vote is not split.

Each Tea Party group needs to send delegates and observers. Groups that have 501c status are permitted to participate in this event without endangering their tax status.

A questionnaire was sent to Dave Crooks, Larry Buschon, and Kristi Risk, which will vet their stance on various issues. Our hope is to get their responses to each group for review in order that each patriot group has the opportunity to identify whom they would like their group's delegates to vote for in the caucus. *register your 2 delegates and your list of observers.* The name, group name, and e-mail address of each person who plans to attend HAS TO BE submitted to Charmian Klem at c.klem@hotmail.com no later than Monday, January 23.
